

MOTHER TERESA MINISTRY

Dear Parishioners of St. Joseph Parish,

Please join us as we re-ignite the Mother Teresa Ministry at St. Joe's!!
The Ministry has been a vital mission at St. Joe's for 30 plus years.

With the hit of COVID and many wonderful members of this ministry dying or they themselves aging and unable to partake as ministers, we really need YOU to receive the joy that accompanies this ministry.

It is really an important mission to embrace our parishioners who are alone in their homes, nursing homes or assisted living. All that is needed is an open heart to partake!

Options Available:

- *Visits in home/nursing home/assisted living with or without Eucharist (training provided)
- *Call and have a phone visit
- *Send a card or letter.

Frequency depends on each individual and their minister.

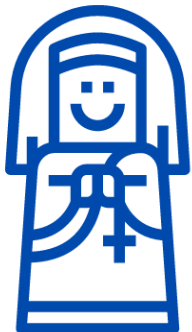

We will connect you with someone who would be so happy for company.

Please specify your wants. Man or Woman and type of connection.

You may return your information to the Parish Center or email nickiwelsch@menomoniecatholic.org
Rose Mary Stoll or Mary Allison will get back with you promptly.

Thank you for your time and prayerful consideration.
