## MESSAGE FROM FR. MANO

Last year for volunteers' appreciation week, the parish was sending thank you cards to all our volunteers. I believe that it was a little over 250. One of the most beautiful signs of a living parish is the generous spirit of its people. Every time you give your time, your talents, or your energy for the sake of our St. Joe's parish, we see the hands of Christ at work among us. Volunteers are the people who make parish life vibrant and welcoming — those who decorate the church, prepare the liturgy, teach faith to our children, visit the sick, cook meals, and serve in countless other ways.

Pope Francis reminds us that "the Church is not a refuge for sad people, but a home for joyful hearts." Our volunteers bring that joy to life. They serve not for recognition, but out of love — love for God and for His people. Their witness reminds us that discipleship is not only about belief but about action: putting our faith into motion through service. Last weekend, while I was doing the blessing for the volunteers, I noticed that in some families everyone is a volunteer in some way, and still some families have more than one volunteer. I will be happy if a family has at least one volunteer.

To all our volunteers — thank you once again. Your kindness, patience, and faith build up the Body of Christ in our parish. May God, who sees all that is done in love, bless you abundantly. May He reward your hidden sacrifices with the deep peace that comes from serving Him faithfully. Let us continue to work together, each doing our part, so that St. Joe's Parish remains a place where Christ's love is visible in every word and deed.

The Diocese of La Crosse has been talking about Rebuild my Church for the last two months in the parishes. Some of you were at the 'listening session.' How many of us are aware of this? Do you know what the diocese has been planning for the future of all the parishes in our diocese? The diocese has been discovering together how best to structure our parishes in the years ahead. They also want to move the diocese from maintenance to mission.

They want to find out how many parishes are vibrant and active in mission. To scale this, they have seven indicators. 1) Vibrant Sunday Mass 2) Stable and Healthy Leadership 3) A Culture of Discipleship 4) A Culture of Accompaniment 5) Missionary Outreach 6) Faith Formation 7) Stewardship. To learn more about these seven indicators, please follow the diocesan website. You can let me know whether our parish has all seven of these or are we still lacking. I am doing my best with my staff to keep our parish vibrant in mission. And with your cooperation, we can do more for the greater glory of God.

## ST. JOSEPH SCHOOL

Each school day begins with our community gathered in the gym for morning announcements, a time of prayer, reflection, and connection.

Each month, a new class takes on the leadership role for this special part of our day.

As the Class of the Month, students take on several important responsibilities. Each day, a different student leads the Pledge of Allegiance; while on Tuesdays, they lead the Peace Pledge; on Wednesdays, they share a Faith Fact; and on Thursdays, they make us laugh with a joke of the day. In addition, a different classroom writes the daily intentions, which are read by that classroom's teacher the following morning. Together, we pray, sing, and listen to announcements for the day or week ahead.

Our morning prayer unites us in gratitude and purpose:

*Our Loving Jesus, we thank You for this new day. Help each of us to use our special gifts and talents, to learn in school, to be a good friend and student, to respect others, to take care of Your world, and above all, to love You, others, and myself. Amen*

These morning gatherings are truly a blessed and joyful way to begin each day at St. Joe's.

This month, our 5th-grade students are leading our annual food and money collection for Stepping Stones. Their preparations include offering prayers, creating posters to promote the drive, writing, and reading daily announcements, and visiting classrooms to answer questions and encourage participation.

They will conclude their project with a meaningful visit to Stepping Stones, where they will personally deliver the collected food and funds, living out their faith through service and compassion for others.

As mentioned in previous columns, our school is currently completing a self-study in preparation for our accreditation visit this December. We kindly ask you to take a few minutes to complete the accreditation survey, which will be included in our submitted materials. The link or QR code will take you to the survey. Paper copies are also available on the table at the back of the church. Thank you for your time, support, and valuable input!

## SACRED ITEM BLESSING

All Masses

November 8<sup>th</sup> & 9<sup>th</sup>

A sacred item blessing is a prayer performed by Fr. Mano that dedicates an object for a holy purpose, transforming it into a sacramental that reflects God's grace and supports prayer and devotion. During the blessing, the object is infused with a unique touch of holiness, but it does not acquire magical abilities. Instead, it serves as a concrete reminder of God's love and presence for those who utilize it.

Bring your sacred items, and Fr. Mano will bless them at the end of Mass
