## MESSAGE FROM FR. MANO

How many of you had been praying for nice weather for our fall festival last week? After having all the rain on Saturday, I was a little bit worried about Sunday, but God was so gracious to bless us with nice weather. I wish it was a little warmer. I was glad to see many of you though it was a little cold and breezy. I would like to take this opportunity to say a big thank you to everyone who helped make our Fall Festival a wonderful parish celebration.

Thank you to all those who planned, organized, cooked, baked, served, decorated, cleaned, donated, and volunteered your time. Thank you also to everyone who came and supported the event. Every contribution, whether big or small, helped make the day special.

A parish is not simply a place where we come to Mass on Sunday. A parish is a family. And like every family, we need opportunities to come together, enjoy one another's company, laugh, share a meal, and build relationships. Our Fall Festival reminded us of how much good can happen when we work together. At the same time, I could see the number of participants and volunteers are going down every year.

I would like to encourage even more families to become involved in our future parish events. Sometimes we may think, "Someone else will take care of it," or "I don't know anyone there." But parish events are a wonderful opportunity to meet new people and become more connected to our parish family. Kathy Bailey used to live in Menomonie. She visited us last Sunday after four years. She could recognize only four or five families. She said that there were a lot of new faces. You may have been going to St. Joe's but still you may be a new face to many unless you get involved with our parish events and festivals.

I especially encourage parents to bring your children and young families to these gatherings. Our children need to see that the Church is not only a place for Sunday Mass, but also a community where people know one another, care for one another, and celebrate together. Please don't wait to be invited. Come, participate, and become part of the parish family. Even if you can give only an hour, bring a dish, help with a task, or simply come and enjoy the fellowship in the coming events, your presence matters.

Once again, thank you to everyone who made our Fall Festival possible. May God bless all our volunteers, our families, and our entire St. Joseph parish family. Let us continue to build a parish where everyone feels welcome, everyone has a place, and everyone has something to contribute.

## ST. JOSEPH SCHOOL

Thank you to everyone who participated in making the Fall Festival such a success! A special thank you to **Brittany Heike** for her generosity in providing a raffle basket at the St. Joe's School table. The face-painting talents of **Becca Sheahan** and **StoutCatholic** were invaluable. There is something especially beautiful about sharing the Good News of Jesus Christ through art, particularly through painted messages that make our faith visible to others.

Amid the rich Catholic traditions and rituals practiced at St. Joseph School, our students also take time to provide financial support and service to others. Every Thursday in September, students participate in **Casual for a Cause**, dressing casually and bringing quarters, dollar bills, and all kinds of loose change to support **Project SAM (Share-A-Meal)** in Menomonie. Project SAM is a free weekend meal program in Dunn County that provides ready-to-eat food bags to students from Pre-K through 12th grade who are at risk of hunger. We are proud of our students for learning that living out our faith includes caring for others in meaningful and tangible ways.

Students are also building their repertoire of Bible verses throughout this school year. This week, students practiced the following verse: *"There is a right time for everything, and a time for every action under heaven."* — **Ecclesiastes 3:1**

Students learned that patience is important because sometimes we want something right now, while God's plan may take longer. Trusting in His timing can bring us peace. Since this Bible verse was taken from the readings for our Friday Mass, students eagerly listened for it during Mass and were excited to hear more about its meaning. What a beautiful opportunity for our students to connect Scripture, worship, and their everyday lives.

Thank you to the entire parish family for your ongoing support, prayers, encouragement, and generosity. **You make the mission of St. Joseph's School a living work of art, and for this, we are deeply grateful.**

God Bless!

Ms. Deborah Skalecki, Principal

## Was Jesus Just a Wise Man?

*Did Jesus ever actually claim to be God? Did we make him into something more?*

Jesus is often described as a great teacher, moral example, or religious leader. But Jesus made claims about Himself that go far beyond those descriptions. Did He actually claim to be divine? Did his follower misunderstand who He was? Was Jesus delusional? Was He intentionally deceptive, for reasons of power or popularity? What did His earliest followers believe happened after His crucifixion? And can the Resurrection be defended as a historical event—or is it simply a story Christians made up for ulterior motives?

If Jesus really rose from the dead, then "Who is Jesus?" is a question that changes **everything**.

Join us, as we examine the historical existence of Jesus, the claims he made about himself, and the evidence surrounding His Death and Resurrection, as well as the most common alternative explanations. People all of faiths (or none at all) are welcome to join.

**What makes it possible:**  
 At Comforts of Home, we believe exceptional senior living starts with a happy, supported team. When caregivers feel valued, residents feel it too and that's the heart of our culture. We offer one of the most cost-effective senior living models in our area without sacrificing personalized attention. Our communities specialize in serving individuals with higher-acuity needs, behavioral support, or those looking for a place that will meet them where they are. Comforts of Home delivers compassionate, specialized care that families can trust, at a price they can actually afford, powered by a team that genuinely loves what they do.
