### K-5 TUITION INFORMATION

The cost to educate a child at St. Joseph Catholic School for one year is ≈\$11,600. St. Joseph Parish supports the school so we can offer a strong, affordable, Catholic education. If you are a parish or Catholic\* family and are unable to pledge an amount between \$3,150 and \$6,300 for one child or minimum guide for multiple children, you will need to schedule a confidential meeting with the principal. All new and non-parish school families are required to have a confidential meeting with the principal to answer any questions and discuss tuition. If you are a returning family and meet the minimum tuition guidelines, a confidential meeting with the principal is optional.
